Subject: Air Quality Control Permit No. 92503
Cinder Lake Landfill - Place ID: 1138

Dear Hanson:

The Arizona Department of Environmental Quality, Air Quality Division, has completed its review of the referenced permit application.

I am prepared to recommend that your air quality control permit be issued with conditions necessary to meet all rules and regulations applicable to this source related to air pollution control. A draft of the permit with appropriate conditions is enclosed for your review.

In accordance with Arizona Revised Statutes §49-426.D, a public notice will be issued in the *Lake Powell Chronicles* and the *Williams Grand Canyon News* on March 9, 2022, and will give instructions for making comments and an opportunity to request a public hearing on the permit. A copy of this public notice is also enclosed.

You will need to post a copy of this public notice adjacent to the nearest public roadway on the property where your facility is or will be located. This notice posting should conform to the attached public notice posting requirements. The notice should be posted from the date of first publication to April 08, 2022.

If you have any questions, please contact me at 602-771-4106.

Sincerely,

Mike Sonenberg

Mike Sonenberg, Manager

PUBLIC NOTICE

YOU HAVE A VOICE IN AIR POLLUTION CONTROL IN ARIZONA

The Arizona Department of Environmental Quality (ADEQ) proposes to issue Air Quality Control Permit Number 92503 to the City of Flagstaff- Cinder Lake Landfill for the continued operation of the Cinder Lake Landfill, located at 6770 Landfill Road, Flagstaff. The mailing address for the facility is 211 West Aspen Avenue, Flagstaff, AZ 86001. The facility is subject to the requirements of the Federal Clean Air Act, Code of Federal Regulations, Arizona Revised Statute 49-426, and the Arizona Administrative Code, Title 18, Chapter 2. The facility emits the following air contaminants: coarse particulate matter with diameters 10 micrometers or less (PM₁₀), fine particulate matter with diameters 2.5 micrometers or less (PM_{2.5}), volatile organic compounds (VOCs), nitrogen oxides (NO_x), sulfur dioxide (SO₂), carbon monoxide (CO), and hazardous air pollutants (HAPs).

This public notice provides information to help you participate in the decision-making process. You have an opportunity to submit written comments about this permit. To submit written comments, include your name, mailing address, signature (and/or your agent or attorney signature) and clearly explain why the permit should or should not be issued. Grounds for comment are limited to whether the permit meets the criteria for issuance spelled out in the state air pollution control laws or rules. The public notice period is in effect from March 09, 2022 to April 08, 2022. Comments may be submitted in writing to: [Balaji Vaidyanathan](#), Facilities Emissions Control Section, ADEQ, 1110 W. Washington St., 3415A-1, Phoenix, AZ 85007 or via email to airpermits@azdeq.gov. Comments must be received by April 08, 2022.

The draft permit and related documentation are available for review online at azdeq.gov/notices by searching for the date of this public notice, or in person at the ADEQ Records Center by scheduling an appointment at least 48 hours in advance. For ADEQ Records Center information, visit azdeq.gov/records-center, call 602-771-4380 or email recordscenter@azdeq.gov. The documents are also available at 211 W Aspen Ave in Flagstaff, AZ 86001.

ADEQ will consider all comments received in making a final decision on the proposed permit. Everyone commenting will receive notification of the final decision. People who file comments on the permit will have the right to appeal the final decision as an appealable agency action to the Office of Administrative Hearing (OAH) pursuant to §41.1092.03, and the appeal must be filed within thirty (30) days after the issuance of the final decision. The OAH may sustain, modify, or reverse the final decision.

This permit is subject to review by the Environmental Protection Agency (EPA) pursuant to 40 CFR 70.8 and Arizona Administrative Code R18-2-307. If EPA does not object to the issuance of this permit, you may petition to EPA within sixty (60) days after the expiration of EPA's forty-five (45)-day review period. A petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Please refer to epa.gov/title-v-operating-permits/title-v-petitions for additional information. Any person who petitions to EPA pursuant to 40 CFR 70.8(d) shall notify ADEQ by certified mail as soon as possible, but in no case more than 10 days following such petition. The notification shall include the grounds for objection and whether such objections were raised during the public comment period.

ADEQ will take reasonable measures to provide access to department services to individuals with limited ability to speak, write or understand English and/or to those with disabilities. Requests for language translation, ASL interpretation, CART captioning services or disability accommodations must be made at least 48 hours in advance by contacting the Title VI

Nondiscrimination Coordinator, Leonard Drago, at 602-771-2288 or Drago.Leonard@azdeq.gov. For a TTY or other device, Telecommunications Relay Services are available by calling 711.

ADEQ tomará las medidas razonables para proveer acceso a los servicios del departamento a personas con capacidad limitada para hablar, escribir o entender inglés y/o para personas con discapacidades. Las solicitudes de servicios de traducción de idiomas, interpretación ASL (lengua de signos americano), subtitulado de CART, o adaptaciones por discapacidad deben realizarse con al menos 48 horas de anticipación comunicándose con el Coordinador de Anti-Discriminación del Título VI, Leonard Drago, al 602-771-2288 o Drago.Leonard@azdeq.gov. Para un TTY u otro dispositivo, los servicios de retransmisión de telecomunicaciones están disponible llamando al 711
